

## Not Home Waiver for Baystate Tent & Party

---

**\*YOU MUST MARK OUT WHERE YOU WANT THIS TO BE SET UP IN YOUR YARD AND WRITE THE DIRECTIONS ON THE BOTTOM OF THIS EMAIL\***

By signing this you are giving permission to Baystate Tent and Party to deliver our rental equipment to your property, this also serves as acknowledgment that you will not be home at the time of delivery, and renders us not responsible for improper placement of equipment. You must clearly mark where you would like placement of your rental equipment. This form serves as signature of receipt of equipment. (Baystate strongly prefers someone to be at home at the time of delivery to make sure you are 100% happy with the placement and quality of your items. Should you choose to sign this and not be present at the time of delivery Baystate will not be held responsible for any problems related to those issues. Baystate will charge additional fees if we need to come back to your property for any reason as a result of you not being home at time of delivery.)
